Computer Game Review

My favourite computer game is *Counter Strike Online* or CSO. This is a **first person shooter** that you can play on your home computer. In this game you are a soldier and you must try to kill all the zombies and other people. I like this game because it is an online game. I can play with and talk to my friends when I play this game while I stay at home. It is very exciting to play and easy to meet new friends to play with. I think this game is great because it is easy to play and so much fun. It is also bad because sometimes it is very difficult and also I play it too much so I don't do my homework.

Gadget Review

The Apple iPad 3 is the latest gadget that so many people want to buy in Hong Kong! The cheapest *iPad 3* with Wifi costs about \$4000. You can buy it in the shopping malls in Ma On Shan and you can choose the colour black or white. The iPad 3 is a touch screen tablet that you can use to play games, take photos, listen to music or go on the Internet. It is good because the screen is big and beautiful to look at. If you take a photo it will be very clear. The iPad 3 is also fast at processing. It is bad because it is quite expensive and heavy. I think the iPad 3 is great. It is fun to play and I like it very much!

Mobile Phone App Review

Angry Birds is our favourite mobile phone app. Angry Birds is a platform game that you can play on the iPod, iPad, iPhone and most Android cell phones and tabs! To play this game you must shoot different types of angry birds from a catapult to destroy the buildings and kill all the green pigs. This game is really good because it's very easy to play at the start and because it is on mobile phone you can play it anywhere! However, this game is very addictive and it is easy to spend so much time playing it that you have no time left to do your homework. Some levels are also very difficult! Overall, we think this game is interesting and fun.

Music Review

Our favourite music group is the girl pop group, *By2*. Their music CD is called *Is There*. This group is a duo from Singapore of twins Miko (Bai Wei-Fen) and Yumi (Bai Wei-Ling). They were born in 1992 and are twenty years old. They are named "BY2" after their surname "Bai" and that they are twin sisters. They are good because they are very beautiful, they both have wonderful voices and they wear great clothes. However, some people say that they have had plastic surgery. I like them because they play their own instruments and I think that they are amazing singers. Their music sounds great!

是汶希哥哥的小一派位帶領我們進入泰伯，他並派往沙田官立中學，到汶希升讀小一時，我毫不猶豫地替他報讀泰伯，這些年，每位老師都非常細心及了解他們的學習心態及行為品格，我想是因為泰伯是小班教學，令老師們有更多時間關懷學生。多謝你！

尤記得她在小一時，對於學習的心態，仍然是左右搖擺亦欠缺信心，未能定下自己的計劃及目標，經過三年在泰伯之小學生活後，她在學習心態明顯改進了很多，在個人品格及成長方面，亦都比以往改進及懂事了，其次在心理方面，比三年之前更積極，心境更開朗。作為家長，十分欣慰，多謝泰伯！

女兒經常告訴我學校裡的點滴，老師如何教導她、鼓勵她，使她不偏差地走當行的路。學校推行的摘星獎勵計劃，更能令她在各科積極爭取好成績。

而更開心的，是她有機會接受學校外籍老師教授的劍橋英語課，她的英語水平大大提升了；我真感謝校長及老師們對小女的關懷和栽培。

Sports Day

On the 15th December 2011, Tai Pak Primary School had its Sports Day at the Shatin Sports Ground. The weather was very warm and sunny. All the students were very happy because they could join many kinds of sport games. Some students ran in races of 60 metres, 100 metres, 200 metres and 4x100 metres relay. Some joined the long jump and ball throwing games. Other students were happy sitting in the stadium, shouting and cheering for their classmates. There was also a singing competition between the different classes. It was so much fun!

At lunchtime, all of the students and teachers ate a school lunch. The tuck shop was closed all day so many students were sad!

After the sport games and competitions, a famous DJ and the School Directors came to give the prizes. Then, we finally went home. I was very happy because the Sports Day was fun and exciting.

Picnic Day

Tai Pak Primary School had their 2011 School Picnic on the 29th November at Tai Tong Country Park in Yuen Long. It was a very warm and sunny autumn day. The whole school went to the picnic and the journey there took about 45 minutes by six lovely big buses.

First, we found some tables, made the barbeque fire and prepared the food. Then, we cooked the food and ate it. It was very yummy. We ate sausages, seafood and chicken wings. We drank coke and juice. After we ate the food, we played football, ran around, played catch and relaxed.

Finally, it was time to go back to school. We were all very tired but very happy because some teachers bought us some ice cream.
