Sports Day

Every year Tai Pak School has a Sports Day at Sha Tin Sports Ground! This year our Sports Day was on 13th December 2012. The weather was sunny and warm. The students were very excited this year because the tuck shop was open!

There were many kinds of running races like the 60m, 100m, 200m and the 4x100m relay. There were also jumping and throwing competitions. The students in the crowd were very happy shouting and clapping for their classmates.

Melody and Elysia

Ready, steady, GO!

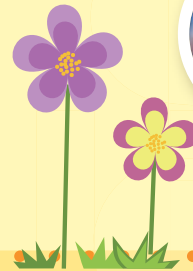

We love Sports Day!

Am I going to win the race?

Yeah, we won a medal!

Are we cute?

Picnic in Tai Po Park 2012

On Tuesday 13th November 2012, students from P4, P5 and P6 went to Tai Mei Tuk Country Park for the annual picnic. They went by school bus and it took about 20 minutes to get there. It was a very sunny and warm day. The park was very big. There were lots of trees, picnic tables, a food stall, a playground and some BBQs. The view was very beautiful. We had lots of fun playing badminton, football and basketball. We also ate a lot of food and drank many drinks, for example, potato chips, sausages, sandwiches, chicken wings, orange juice and coke. The headmaster, teachers, students, the school staff and some parents all had so much fun and were very excited. At the end of the picnic we took the school bus back to school. We were very tired, but very happy.

A yummy BBQ!

English Reporters X'mas Show

Mr Homer, Mary and Betty speaking in the assembly!

On 3rd December, 2012, Melody, Betty, Jerry and Mary from the Junior Journalist Club helped Mr. Homer perform a Christmas show in the morning assembly. The show was about a girl called Olivia who was very naughty all the time. She did not clean her bedroom or help her mum. One day her mum was so angry that she shouted for help! Then, Santa Claus came and told Olivia that naughty children will get no presents for Christmas. We then all sang the song 'Santa Claus is Coming to Town'. Finally, Olivia told her mum that she was sorry and will be a good girl now.

Me and My School!

Mary likes the art room

My name is Mary. I am in class 6A. My hobby is swimming because it can make me stronger. Also, I like eating mangoes because they are sweet and fresh. My favourite place at Tai Pak School is the art room because I really enjoy drawing and Miss Ma is a really nice teacher. It is a good place for students to do their homework and draw interesting pictures during recess and after school.

Elysia likes the Library

My name is Elysia. I am in class 6A. My favourite place in Tai Pak School is the library. It is on the seventh floor and very big. We can read and borrow many books, and also talk quietly to our classmates in the library. I like it here because it is very beautiful and a nice place for learning.

My name is Betty Lai. I am in 4B. My hobby is playing basketball. I always play basketball on Sundays. I want to be a doctor when I am older because I want to help people. I think the best place in Tai Pak School is the music room because I really enjoy singing Chinese songs! We can also play musical instruments like the piano and a tambourine and listen to music in this room. It is so much fun!

Betty loves the music room

Melody and Jerry are so happy in the English Corner

My name is Melody Tse. I am in class 4B. My hobby is dancing. I love Jazz dancing because it makes me healthy and happy. I want to be a singer or teacher when I grow up. The best thing about Tai Pak School is the English Corner. You can find it in the covered playground on the ground floor of the school. In the English Corner, we can play English games, watch English movies and talk to our friends in English. The English Corner can only have 12 students inside. We must not speak Chinese here! If we are good and speak a lot of English, Mr Homer will reward us with sweets!

My name is Jerry. I am a 4B student. My hobbies are playing basketball, table tennis, tennis and football. I want to be a lawyer when I am older. I think the best place in Tai Pak School is the English Corner because we can play games and watch movies there! I love speaking English there and it is so much fun playing games with my friends.
